

20TH ANNUAL
EVENING
OF

Aloha
VIRTUAL GALA

Saturday, November 13, 2021 | 4:00 PM - 5:00 PM PST

Mark your calendars for this year's milestone Evening of Aloha which will once again be presented virtually. This 20th anniversary celebration will continue to feature new perspectives and new voices from across our diversifying community and audience while honoring the tremendous accomplishments and legacy of the Japanese American veterans of WWII.

As the primary fundraising event of the year, EOA relies on the support from individuals, families and corporations to help provide the critical funds needed for GFBNEC's enhanced educational programming and outreach. Building on the tens of thousands viewers from the 2020 and 2021 Monument Anniversary and the 2020 EOA, this year's

hallmark celebration again promises to draw a wide audience from across the nation and internationally. The program will also once again feature the popular **Living Nisei WWII Photo**

Tribute (see accompanying box for details) with a military and current photo of Nisei veterans from around the country.

New this year is the EOA Marketplace, an exclusive online shopping experience curated by the Torchbearers. The program will also feature regional highlights from Los Angeles, Maui, O'ahu and Denver including a special hula "In Memoriam" performance.

2ND ANNUAL "LIVING NISEI WWII VETERAN PHOTO TRIBUTE"

Submissions due by October 22

In lieu of the in-person Nisei veteran recognition on stage, we presented the first virtual photo tribute at last year's EOA with 88 veterans from 10 states. This year we are excited to again feature this popular showcase of a military and current photo of all living Nisei WWII veterans from across the nation. For returning veterans, the same photos can be presented or new photos could also be submitted. **All digital photos should be identified with the veterans full name and submitted to takeaction@goforbroke.org with**

any questions. All returning and new participants must fill out the submission form by October 22 (see goforbroke.org to access). Please share with others who may have a veteran they want to honor in this year's program.
